KEEPING YOU SAFE

Here is some essential information to ensure your weekend is a safe and enjoyable one:

- FIRST AID**
If you require first aid, please head to the nearest information or first aid point on the map.
- LOST CHILDREN**
If you have lost or found a child, please go to the nearest information point. Don't forget to pick up a children's wristband from the Race Makers upon arrival; on which you can write your contact details.
- LOST PROPERTY**
All lost property enquiries should be made to the Race Makers. Please go to the Event Reception to collect lost property.
- RACE MAKERS**
Our 250 volunteers are here to help in anyway they can. You can't miss them - they are dressed head to toe in pink and blue! Stop off at our new information points if you have any questions.
- LEAVING THE VENUE**
We have great evening entertainment and we highly recommend you stay and enjoy it to help avoid the traffic. There may be some delays in exiting the car parks at peak times.
- TOILETS**
To open accessible toilets and baby changing facilities you will require a Radar Key. Please speak to Race Makers to gain access.
- SILVERSTONE RADIO**
We will broadcast on 87.7FM all day Friday, Saturday and Sunday, so tune in and keep up to date with all the on and off-track entertainment. Stream Silverstone Radio through your phone or visit one of the Silverstone Merchandise Shops to purchase a radio.
- THE LOCAL AREA**
The Silverstone Circuit is surrounded by a number of small villages, please be respectful of local residents when arriving and leaving the venue. Please be aware, if visiting the local area, you must follow existing Step 3 guidance. The only areas that are exempt to these, due to the fact they fall under the Events Research Programme, are within the officially designated grounds of Silverstone Circuit or in the Silverstone Golf Club campsite.
- EASY & CONVENIENT PAYMENTS**
We do accept cash and card across the site, however for your convenience and safety, the following areas are Card Only: Main Stage, Becketts-Chapel and Luffield. Contactless payments are accepted up to £45.

IMPORTANT INFORMATION

- INCREASED SECURITY PROCEDURES**
Visitors may experience slight delays entering the circuit due to increased security measures and searches. Please only bring necessary baggage, 20L or smaller. Small trolleys may be admitted at our discretion; expect longer delays for larger items to be searched. Please do not leave your personal belongings unattended as they will be removed by security and may be destroyed. If you see or suspect anything suspicious please report it to a member of the police or security.
- PLAY YOUR PART**
To protect the remainder of the F1 Championship season we won't be able to allow this year's post race track walk and therefore you won't be able to access the track after the race. Thank you for your support.
- EVENTS RESEARCH PROGRAMME**
The Formula 1 Pirelli British Grand Prix is part of the Events Research Programme and we are asking as many spectators as possible to provide us with consent to be part of this programme. If you have not already given your consent, we would appreciate you doing so today as the information gathered will help future events in the UK take place safely. To fill in the consent form and to read further information scan this QR code.

LAST RE-ENTRY
Last re-entry to Silverstone Circuit is 30 minutes before the end of the Main Stage activity. Please see timetable overleaf.

All information and timings are subject to change; please check the website and social media for updates.
