01. **Wristbands:** for access to the venue will be made available to registered competitors. These will be available for collection or mailed. Competitors will be advised by their respective Race Co-ordinators concerning arrangements for their Wristbands and Vehicle Passes).

02. **Signing-on and Scrutineering:** Signing on will be via E-Mail using an MSUK Declaration document forwarded to your grid organiser. Please complete and return to them at your earliest convenience. There will be two Race Admin Offices. If your race is based in the National (Old) Paddock this will be on the first floor of Race Control Building in the National Paddock. If your race is based in the International Paddock (Wing) this will be in the Wing Building Entrance 04, first floor, Race Control end.
03. **Scrutineering:** for all races will be available on Thursday 22nd August
National Paddock from 10:00h to 19:00h. Historic Formula Junior will be Scrutineered in their allocated Garages, between 16.00 – 18.00 anyone not present at that time must report to the scrutineers. For all cars other than those mentioned wishing to scrutineer on Thursday 22nd the cars and drivers safety wear must be taken to the Scrutineering bay for scrutineering. This can be presented separately but you will not be allowed out on track without both having been inspected.
International Paddock: On Thursday 22nd August Masters Racing Legends, Masters Sports Car Legends and Masters Endurance Legends will be inspected in Situ until completed from 10.00 onwards. Any car will be inspected in the bay from 14.00 – 19.00
Both Paddocks Friday 23rd August. All cars requiring scrutineering go to the Scrutineering Bay open from 07.30
Location of Scrutineering for the National Paddock will be in the Scrutineering Bay and for the International Paddock in Garage 40 and 41.
Please note that cars will receive a scrutineering label when successfully scrutineered. When driver's equipment has been checked, a sticker will be applied to the helmet. Both stickers must be present before cars are permitted to qualify and race.
04. **Safety Wear:** All drivers are required to have their personal safety wear checked for conformance to current FIA/MSUK regulations (according to which grade your race is at this event) when your car is being scrutineered.
05. **Qualifying:** All groups, with the exception of the International Grids (Masters Racing Legends (Formula One '66-'85), Masters Sports Car Legends and Masters Endurance Legends) based in pit garages, will start qualifying by joining the Pit Lane via the Assembly Area. Cars should proceed to the Assembly Area 15 minutes before their published qualifying session start time. After the chequered flag, drivers should slow down and return to their allocated paddock area via the pit lane. Competitors must qualify in the relevant session for every race entered. Drivers wishing to qualify out of session must obtain written permission from the Clerk of the Course and will start from the back of the grid. Qualifying times and results will be available from the electronic event notice board. **N.B.** Sessions may begin before the published time so please be ready to receive SMS or e-mail messages from Race Control or listen for public address announcements.
- Parc Ferme:** Notification of Parc Ferme will be advised by the Chief Scrutineer to Clerks and Grid Organisers or as per Series Published Regulations and Drivers Briefing Notes.
06. **Qualifying and Racing Special Notice:** All race groups that are located in the National Paddock will practice and race in the mornings. All race groups that are located in the International Paddock will practice and race in the afternoons.
Qualification. With the exception of Masters International Grids, drivers entered for a race must complete three laps in official practice to qualify. The fastest time set by each car will determine the first race grid position or as per Series Published Regulations.
Grid for Race 2 will be determined by the finishing position in Race 1 with the exception of:
Historic Formula Junior the grid for both races is set by the qualifying session.
Masters Racing Legends for 1966/1985 F1 cars – the grid for Race 2 will be set as per the published regulations
Reserves: Subject to qualification, reserves will be admitted to the races if spaces are available in the order published in the entry list. 20% more cars than are allowed to race may practice.
07. **Grid Formation: All races will be a 2 x 2 rolling start. (Pole Position on the right hand side of the grid.)**
08. **Race Starting Procedure:** All cars should proceed to the Assembly Area 20 mins before the scheduled start of their race. Pre-gridding and the one minute and 30 second countdown will take place in the Assembly Area and drivers will then be released onto the Pit Lane and go into the race start procedure. When instructed by the Clerk of the Course the pace car, with yellow roof lights illuminated, will move off, if starting from the International (Wing) Pits. If starting from the National Pits: **Historic Formula Junior, Interseries Classic Formula 3/Interseries Classic Formula 2 will have one and a half green flag laps** for all other races going from the National Pits **they will have a half green flag lap** (NB. Should there be a change in weather conditions which would necessitate an additional green flag/formation lap the race duration will commence once the last car starts the additional green flag/formation lap.). The pace car will

dictate the speed of the green flag laps. Competing cars should follow at a safe distance from the pace car maintaining their grid positions.

The lead cars must have the pace car in full sight for the duration of the green flag laps,. The pace car will indicate an impending race start by extinguishing its yellow roof lights and entering the pit lane. Competing cars must then hold their position and speed, as set by the pace car, and as the front row of the grid approaches the start line the red lights on the starting gantry will be extinguished denoting the start of the race. There will be no acceleration before the red light is extinguished. There shall be no overtaking prior to crossing the start line. **MRL Grids Only:** Racing is permitted when the start signal is given (NB. should a competitor suffer a mechanical problem they should indicate this to other competitors by raising their arm and safely pulling off the circuit into the pit lane or adjacent to a marshal post if at all possible)

It is strictly forbidden for cars to deliberately back up or hold other competitors up during the green flag laps in an attempt to gain competitive advantage. It is also strictly forbidden to brake excessively, weave or accelerate in an attempt to warm tyres/test-start. Any car which in the opinion of the Clerks of the Course fails to maintain its position and speed set by the pace car prior to crossing the start line or is guilty of any of the preceding instructions will be penalised as follows;

In addition to any offences outlined in the MSUK Yearbook any infringements of this race start procedure may result in a time penalty of up to 60 seconds or disqualification from the race.

09. **Race Starting Procedure: For Masters International Grids,** Please refer to 2024 Regulations and Masters specific Drivers Briefing Notes which will be published on the event notice board.

For MRL Historic Touring Car Challenge, the grid will be formed in two parts The Historic Touring Car Challenge & Tony Dron Trophy will form the first part of the grid with a time delay of twenty seconds between the second part of the grid comprising of U2TC and Sixties Touring Car Challenge .

10. **Practice Starts/Weaving:** In addition to any offences outlined in the MSUK Yearbook drivers who are judged to have made practice starts or who demonstrate excessive weaving will be liable to a time penalty of up to 60 seconds or disqualification from the race.
11. **Red Flag: Masters International Grids:** refer to the FIA International Sporting Code (ISC) and driver briefing notes issued by the Masters Race Director.
All other grids: Should any race be 'red flagged', notwithstanding the provisions of MSUK Q5.4 it may be restarted, at the discretion of the Clerk of the Course and if time permits, for the remaining scheduled distance.
Only cars running at competitive racing speed when the red flag is displayed will be allowed to take part in the restarted race and 'Parc Fermé' conditions will apply between the red flag being shown and the start of the re-started race.
The grid for the re-started race will be the order in which the cars passed the finish line at the end of the lap preceding the lap on which the red flag was shown, and the result of the race will be the order in which the cars cross the finish line when the chequered flag is shown at the conclusion of the re-started race. Except for Masters International Races, if a red flag is used twice in the same race, the re-start will be put to the end of the normal timetable and will run if time allows.
12. **Red Flag Race Stoppage in Endurance Races:** Should the Red Flag be displayed the clock will stop and the race will be suspended, competitors should proceed to the startline and stop in single file. If the race is able to be restarted there will be a Safety Car start and the clock will restart. Parc Ferme conditions will apply during the period of suspension. Any cars in the Pit Lane at the time of Suspension may join the back of the Safety Car convoy at the restart. The duration of the remainder of the race will be decided by the Clerk of the Course. This process may be amended should it be necessary due to factors such as a change in weather conditions.
13. **New Drivers / Driver Briefings:** Drivers taking part in their first race on this circuit must report to the Clerk of the Course prior to the start of your compulsory briefing and advise you are new to the circuit, where they will brief you separately of any additional points you need to address. For the timings of group briefings please see the table on page 4 of these instructions. These briefings are mandatory and will be in the Race Administration buildings (first floor) of your respective paddock. Any driver unable to attend their scheduled briefing must see a Clerk of the Course before their practice session.

14. **Documentation:** Drivers are reminded that HTP or VIFs (HSCC) for all cars, where required, must be available for inspection at scrutineering.
15. **Engines/Silencing:** Engines must not be run **before 08.00h** each morning and must not run **after 19.30h** each evening. All drivers (teams) must comply with their normal Championship or Series Regulations noise limits.
16. **Decals:** Competitors are reminded that race sponsor's decals must be prominently displayed on competing vehicles if supplied. Failure to display decals may result in exclusion.
17. **Qualifying & Races times:** these may start earlier than published so please be aware of the grid scheduled before yours and be in the Assembly Area in plenty of time for your grid. Do ensure you or your team have with them your listed contact details, e.g., mobile phone or mobile device for receiving e-mails as messages relating to your race will be sent either by SMS text or e-mail in advance of your race.
18. **Safety Car:** For Masters International Grids; Masters Racing Legends (Formula One '66-'85), Masters Sports Car Legends and Masters Endurance Legends: operation of the safety car will only occur during races (INTERNATIONAL SPORTING CODE Appendix H2.10)
All other grids, races and qualifying may be neutralised by the use of a Safety Car if necessary (MSUK Regulation Q, Appendix 3.)
19. **Pit Garage Allocation:** As allocated by your Race Co-ordinators instructions and the Competitor Guide which may be viewed on the Festival website. Queries or questions should be directed to your Race Co-ordinator. Entrants of cars parked in the wrong garage will be asked to move. Refusal will result in the entrant being required to report to the Clerk of the Course.
20. **Pit Wall and Grid Safety:** No personnel will be admitted to the pits without a team wristband. Drivers should ensure that only their personnel are on the pit wall for their race(s) who must follow Pit Marshal's instructions without argument. The pit wall must be clear of all personnel for all race starts. No team personnel are allowed on a starting grid.
21. **Pit Lane Closures:** National pit Lane will be closed to all activity and track access immediately after Friday morning practice has finished and after Saturday and Sunday morning races have finished. The international pit Lane will not be opened for activity or track access before Friday afternoon practice or Saturday, or Sunday afternoon racing starts. During the time the pit lane is closed there is to be no use of the pit wall. Anyone found on the pit wall will be asked to leave. Refusal may result in a penalty for the entrant up to and including cancellation of the race entry (or entries) from the meeting.
22. **Start and Finish Line:** Although we will be operating and accessing the circuit from both paddocks, we will only be using the start and finish line located at the Wing Pit Complex.
23. **Podiums:** There will be two; National Paddock competitors - after the chequered flag continue round and enter the national pit lane and stop as directed by the race marshals. International Paddock competitors - after the chequered flag continue round the full circuit and enter the pit lane and stop as directed by the race marshals. Race winners' trophies plus second and third overall will be presented at the podium immediately following each race. For all Masters races (International and National), podiums will be as per published 2024 Regulations. For HGPCA there will be a double podium in the combined races for 1, 2, 3 rear engine and 1, 2, 3 front engine; For MRL Royal Automobile Woodcote Trophy & Stirling Moss Trophy there will be a double podium.
24. **Timekeepers:** will be located in the International Paddock Race Control building.
25. **Timing Modules:** Please ensure you have fitted a fully charged and working transponder on your car as per the MSUK Regulation Q12.8.1. It is vital that everyone has a working transponder. Any car without a working transponder will during qualifying receive a warning, failure to correct for the race will result in a time penalty of 30 seconds being added to their time. **If you do not have a transponder and wish to hire one you will need to go to <https://www.tsl-timing.com/>** prior to the event. You will be advised by the company where your transponder will be available for collection.

26. **Race Control:** will be located in the International Paddock Race Control building as will the Race Director, Clerks of the Course, The Stewards will be located in the Business Centre, on the first floor of the wing. The Event Race Director & Masters FIA Race Director will be located adjacent to Race Admin at the Wing. For the National Paddock there will be a Clerk available in the Race Administration building during qualifying and racing for grids competing in events there. The Clerk will be leaving the National Paddock 30 minutes after events close for that paddock each day. If you are called to see a Clerk of the Course please do not enter Race Control, a Clerk will be situated either in race admin at the National pits or the office next to Race Control at the Wing.
27. **Pit Stops:** Competitors will use the pit lane in the paddock for which their race is located in for any pit stops or driver changes.
28. **Non-UK Competitors:** (National Grids) must be in possession of an appropriate licence and medical certificate issued by their ASN (as per MSUK Regulation). Competitors intending to race with a competition licence which is **NOT** issued by MSUK, regardless of their license status, must have a proof of permission from their ASN (National Governing Body) to compete in a National Meeting with Approved Foreign Participation (FIA INTERNATIONAL SPORTING CODE 2.3.7). For some countries this approval is on the competitor's licence e.g. Germany and Denmark. For other countries this should come in the form of a letter. **Warning: It is the competitor's responsibility to have the correct permission and they may not be allowed to compete without it.**
29. **Non-UK Competitors: (International Grids)** must be in possession of an appropriate licence and medical certificate issued by their ASN (INTERNATIONAL SPORTING CODE Article 9 and Appendix L Chapter 1)
30. **Drivers Briefings:** These are **mandatory** for all drivers – see schedule below. Penalties apply for non-attendance as per MSUK G.5.3.5 will be subject to a fine of £205.
31. **Parades & Demonstrations:** There will be multiple Parades and Demonstrations throughout the meeting.

 - Sunday 25th August there will be a Parade for RetroRun, Anniversary & Car Clubs plus an F1 Demo and an Ayrton Senna Tribute Demonstration,
 - There will also be multiple demonstrations held off circuit

Special Notes:

32. **Fuel Storage – Important Notice. Q.12.25.3 applies:** A maximum of 5 gallons of fuel may be stored in any pit garage. All fuel should be stored in appropriate metal containers complying with the relevant British or (European) Standard, away from any source of ignition, in a well-ventilated area externally. Containers must be marked 'Petroleum Spirit – Highly Flammable'. All vehicle refuelling is to take place in the open air and not in the garages and teams must ensure that fire extinguishers are available in close proximity prior to any refuelling taking place. There is no re-refuelling or transfer of fuel from one container to another to take place in the garages. Further information can be found in the 'Silverstone Festival 2024 - Site Safety Rules - Competitor & Multicar Preparer' application document. **Methanol** – Any vehicle using Methanol must include a Motorsport UK approved additive and display an orange disc affixed adjacent to the competition numbers on both sides. (J5.13.6 – J5.13.6.1) Methanol may not be stored anywhere without prior permission from the Circuit Safety Officer and this must be agreed prior to the event. **You are reminded that there is to be no re-fuelling during any of the races as per your individual race instruction.**
33. **Cameras/GoPros: Where cameras are permitted but not mandated by the Organiser,** they may be mounted in any location on the vehicle which is considered safe by the chief scrutineer. The mounting of any camera must be specifically approved by the Chief Scrutineer. Any mountings must use a mechanical means of attachment sufficiently robust to withstand anticipated stresses and vibration and must not present any sharp edges or projections in the vicinity of the driver's body or helmet. Where possible, a secondary means of attachment should also be used. Suction mounts are not acceptable as the primary mounting method. Where cameras are fitted by professional TV or film company, the Chief Scrutineer has the discretion to approve non-mechanical mountings. Camera positions are also subject to Series/Championship/Event regulations as appropriate.

34. **Track Limits: With the exception of the Masters International Grids, All Grids will be regulated by MSUK regulations Q 12.21.2 – Q12.22.1** For contravention of these rules the penalties described will be applied.
35. **Speeding in Pit Lane: Masters International Grids;** Masters International Series grids only will be regulated by the INTERNATIONAL SPORTING CODE (Appendix H and L Chapter IV) posted on the event notice board.
All other grids: The maximum speed in the pit lane is 60kph (37.2mph) – there will be a speed gun in operation and aside from specific race penalties relating to the severity of the offence other penalties may be applied as per MSUK Regulation C2.1. The Clerk of the Course could include an additional maximum Time Penalty of 1 minute to a competitors Race Time.
36. **Two Driver Races: Reminder for all pit stop Races:** For all races the pit stop will be monitored by the time keeping system which records the entry and exit from the pit lane. The median target time for those whose pit stop is in the **National Paddock will be 20.2 Seconds plus the stationary time below, In the International Paddock it will be 30.7 seconds plus the stationary time listed below**, allowing for your regulated stationary time the combined time is used to report any infringements to the Clerk of the Course. A “Pit Lane Open” board will be shown for 2 laps after the pit is opened and a “Pit Lane Closed” board will be shown at the end of the “Pit Window”.
- MRL Royal Automobile Club Woodcote & Stirling Moss Trophy , MRL Historic Touring Car Challenge Grids MRL BRDC 500 & RAC Club Historic Tourist Trophy:** Will have a mandatory stop and where relevant, will take place between the 15th & 30th Minute All cars must be at rest for a minimum 60 seconds during the pit stop **with the exception of BRDC 500 cars** which must be at rest for 15 seconds– regardless of whether a driver change is to take place or not. Any car failing to remain at rest for the mandatory period will incur a stop-and-go penalty. Any car failing to make a pit stop within the pit window will incur a Drive-Through penalty. Any car failing to make a pit stop will be excluded from the results. A solo driver can remain in the car during the pit stop. There will be no refuelling allowed
- Masters Sports Car Legends and Masters Endurance Legends, Pure Michigan Mustang Celebration, Masters GT Trophy & International Trophy for Classic GT Cars (Pre’66):** refer to relevant Series Sporting Regulations and Specific Briefing Notes which will be posted on the event notice board.
37. **All teams and competitors:** please read the accompanying Health and Safety Regulations in the ‘Silverstone Festival 2024 - Site Safety Rules - Competitor & Multicar Preparer’ document”
38. **Environmental Health:** Grid co-ordinators are reminded that Environmental Health Officers will be onsite for the duration of the meeting, You should have the appropriate documentation available for inspection if you are providing catering copies of which should be sent to the event organisers.
39. **SECURITY: If you have any concerns regarding suspicious persons, vehicles or packages within the paddock please call Event Control: 01327 320310 and they will direct someone from the Security Team to deal with your problem.**
Competitors are reminded to secure all valuables away at all times and to secure motorhomes and caravans.
40. **Children within the Paddock, Pits and Garages:** The paddock is deemed to be a ‘workplace’ and can be very hazardous, therefore children ages 16 or under must be accompanied and under the direct supervision of an adult at all times. Children are not allowed to ride cycles/scooters etc on site without direct supervision of an adult and must wear cycle helmets. **Children 16 years old and under are NOT allowed in the pit lane, on the track or grid, or in the pit garages, with the exception of children of the Formula Junior Team Members who are allowed in garage 11 in the National Paddock if the pit lane side doors are down.**
41. **Working at Height:** An area which has been of growing concern year on year is the working practices being employed to install awnings on the larger vehicles and work at height from the top of vehicles. Motorsport UK, HSCC and the organisers are working closely together to ensure all competitors and multicar preparers are compliant in their working practices and will be monitoring closely the work activities. Contravention of the Working at Height Regulations may result in exclusion from the event. (A8.1.2)

42. **Drugs and Alcohol:** all competitors and drivers must ensure that they comply with the FIA and MSUK anti-doping and anti-alcohol policy and regulations. (G15.1.4 and H38.1 - H38.4.) Clerks may undertake randomised 'spot checks' to ensure compliance. Any person who fails the prescribed limits or evades or refuses to comply with testing will be excluded from the meeting and reported to the Stewards.
43. **Cancellation:** The Organisers reserve the right to postpone, abandon or cancel the meeting or any part thereof. In the event of postponement, abandonment or cancellation, the organisers and promoters will not be liable for any loss or expense incurred by entrants for drivers, or any other parties.
44. **Paddock Speed Limits & Safety:** All drivers have a responsibility to look out for the public and keep to the 5mph paddock speed limit. Vehicle movements should be restricted to those that are necessary for racing, demonstrations and parades. When pushing a car it is silent and therefore less obvious to pedestrians in the paddock. It is advised that any cars being pushed should be flanked and have one person sitting in the drivers seat controlling the steering wheel and ready to apply the brakes if necessary. It is advised that vehicles being pushed have a banksman where possible.
45. **Drive Through Penalty:** The Clerk of the Course may in addition to any Championship or MSUK regulations impose a drive through or time penalty.
46. **Pit Lane Restrictions:** Only those involved with the current race should be accessing the pit lane
47. **The Main Stage Area, the Village Green and the Shopping Village are all pedestrianised areas:** Please do not ride bikes, buggies, scooters, quads etc in these areas. If attending the concert, please do not drive or ride to it. The internal bus route will end at 19:30 each evening after racing and the link road will be closed to vehicles including buggies, scooters, quads etc. The main stage area is on the Village Green this year by Silverstone Six grandstand, so is a short walk from the Competitor Campsite.
48. **Strictly no motorhomes are allowed in the paddock areas.** Motorhomes must be positioned in the Competitors Campsite on Stowe Circuit.
49. **Silverstone Circuits Ltd (SCL)** and the organisers (Goose Live Events Limited and HSCC) accept no liability for non-conformance to the above

Competitor Timetable: All Driver Briefings will be held on Thursday 22nd or Friday 23rd August. For National Paddock competitors these will be held in the Champions Suite which is one of the Woodcote Suites on the 1st Floor apart from MRL which is in the MRL tent. For International Paddock Competitors these will be in the Auditorium in the Wing Complex.

We, the HSCC together with Silverstone Circuits Ltd (SCL) and Goose Live Events Ltd, would like all race cars to be on display to the public so please keep truck awnings open during the day and please do not clutter the Paddock areas with unnecessary support vehicles. Please remove road cars and trailers to the designated parking areas and help us put on a really good show for spectators. This is really important and will be much appreciated by the large spectator crowd.

We hope you have a safe and enjoyable race meeting.
